01 Do I need to bring my own fabric, or do you sell dress materials?

Strict Atelier Model: Customer Furnishes Outer Fabric

Raaji Ladies Fashion is exclusively a bespoke tailoring atelier, not a retail boutique. We do not sell cut pieces, readymade suits, or unstitched fabric rolls.

Customers bring their own sarees with attached blouse pieces, silk material, unstitched salwar sets, or dress cuts. In our studio, we provide:

- Pre-shrunk 100% fine cotton voile and butter-crepe linings.
- Feather-finish fusing canvas, concealed YKK zippers, brass hooks & loops.
- Color-matched German polyester threads for zero-pucker seams.

**Note: If you have specialized imported silk or heirloom pure cotton lining you wish us to use, you are welcome to bring that along as well.*

02 How many meters of fabric should I buy for a blouse, kurti, or anarkali?

03 Do I need to visit in person for measurements, or can I give a sample garment?

04 What if the blouse or dress does not fit perfectly after stitching?

05 What is your standard turnaround time for stitching?

06 Do you offer saree pre-pleating and falls/pico services on urgent notice?

07 Can I show a photo or Instagram/Pinterest design for customization?

08 Do you take garments purchased elsewhere for alterations?
